

Provincial Grand Guides Report to the Annual Meeting 2026

The team of Official Visitors visited all the conclaves during the year and found that friendship and harmony is prevalent in all the conclaves.

It was found that ritual books were used when necessary, so as to make the meetings flow and so that new candidates could understand what was going on.

The standard of attendance by conclave Visiting Deacons was below par at most conclaves with lack of reports or contacting the Secretary with their reports if they were not attending the meeting

Once again, I would like to thank all the Conclave Secretaries for their help to the Official Visitors, and to the Conclave members for their friendly welcome.

Finally I would like to say thank you to the team of Visitors for their efficiency in sending in their reports.
